Do you mean the 14th to 16th or will the demons just stop on the 15th? You do realize we'd get reports of demons killing people from early in the 14th right?

Hello, I used to try to look up the symbol but it would never show up. Now that you said "Cross of Jerusalem" I found this. This is the exact symbol he drew on a piece of paper and told me to draw on my hand with a black marker if I see the lights in the sky at midnight before the 14th OR 16th of August.

Point at them with the symbol in your hand and it should repel them apparently. This is the exact symbol and how it should look like.

This is a friendly reminder to all you anons to stay inside your homes and gather your families on the 14th and 16th of August

Just trust me, it's in the Vatican files and a trustworthy source has told me so, also saw another anon asking about a thread on in the archives about this so here it is

Be warned. Stay safe. Stay indoors. Do not travel across the country or use a car. If you want to stay safe there is a special symbol called The Jerusalem Star which you can draw on your hand to protect you from the demons.

And I mean he predicted the borders closing from years back, not just recently. He said the virus was just a symptom of what was happening on the 14th and 16th of August.
